

MEDIA RELEASE

25 March 2020

Cancellation of the Backyard and Garden Show 2020.

On Sunday the Prime Minister and State Premiers announced enhanced measures to limit the impact of the Coronavirus COVID-19 on Australia's healthcare system, including the closure of entertainment venues. While restrictions will be reviewed each month, Australians have been advised to expect these measures to last at least six months.

It is with regret that SPASAVIC and Landscaping Victoria Masters Landscapers announce that the Backyard and Garden Show, scheduled for August 2020 is cancelled.

"As industry bodies representing many small to medium businesses LVML, along with SPASAVIC, know the cancellation of the show will hurt our members. We also know that Victorians will continue to support those businesses by engaging our professional members when they are looking to create beautiful recreational facilities in their own backyard," said Megan Flower, EO of Landscaping Victoria Master Landscapers.

"The health and wellbeing of our community must come first. We have a duty to others and ourselves to stop the spread of this virus, and for many of us that means limiting physical contact and when necessary, postponing or cancelling events." said Chris Samartzis, CEO of SPASAVIC.

The Backyard and Garden Show 2021 will run on **Saturday 17 – Sunday 18 July 2021** at the Melbourne Convention and Exhibition Centre.
